Adjustable Tree Staking Systems

The Revolutionary Tree Staking System designed by Landscape Maintenance Contractors

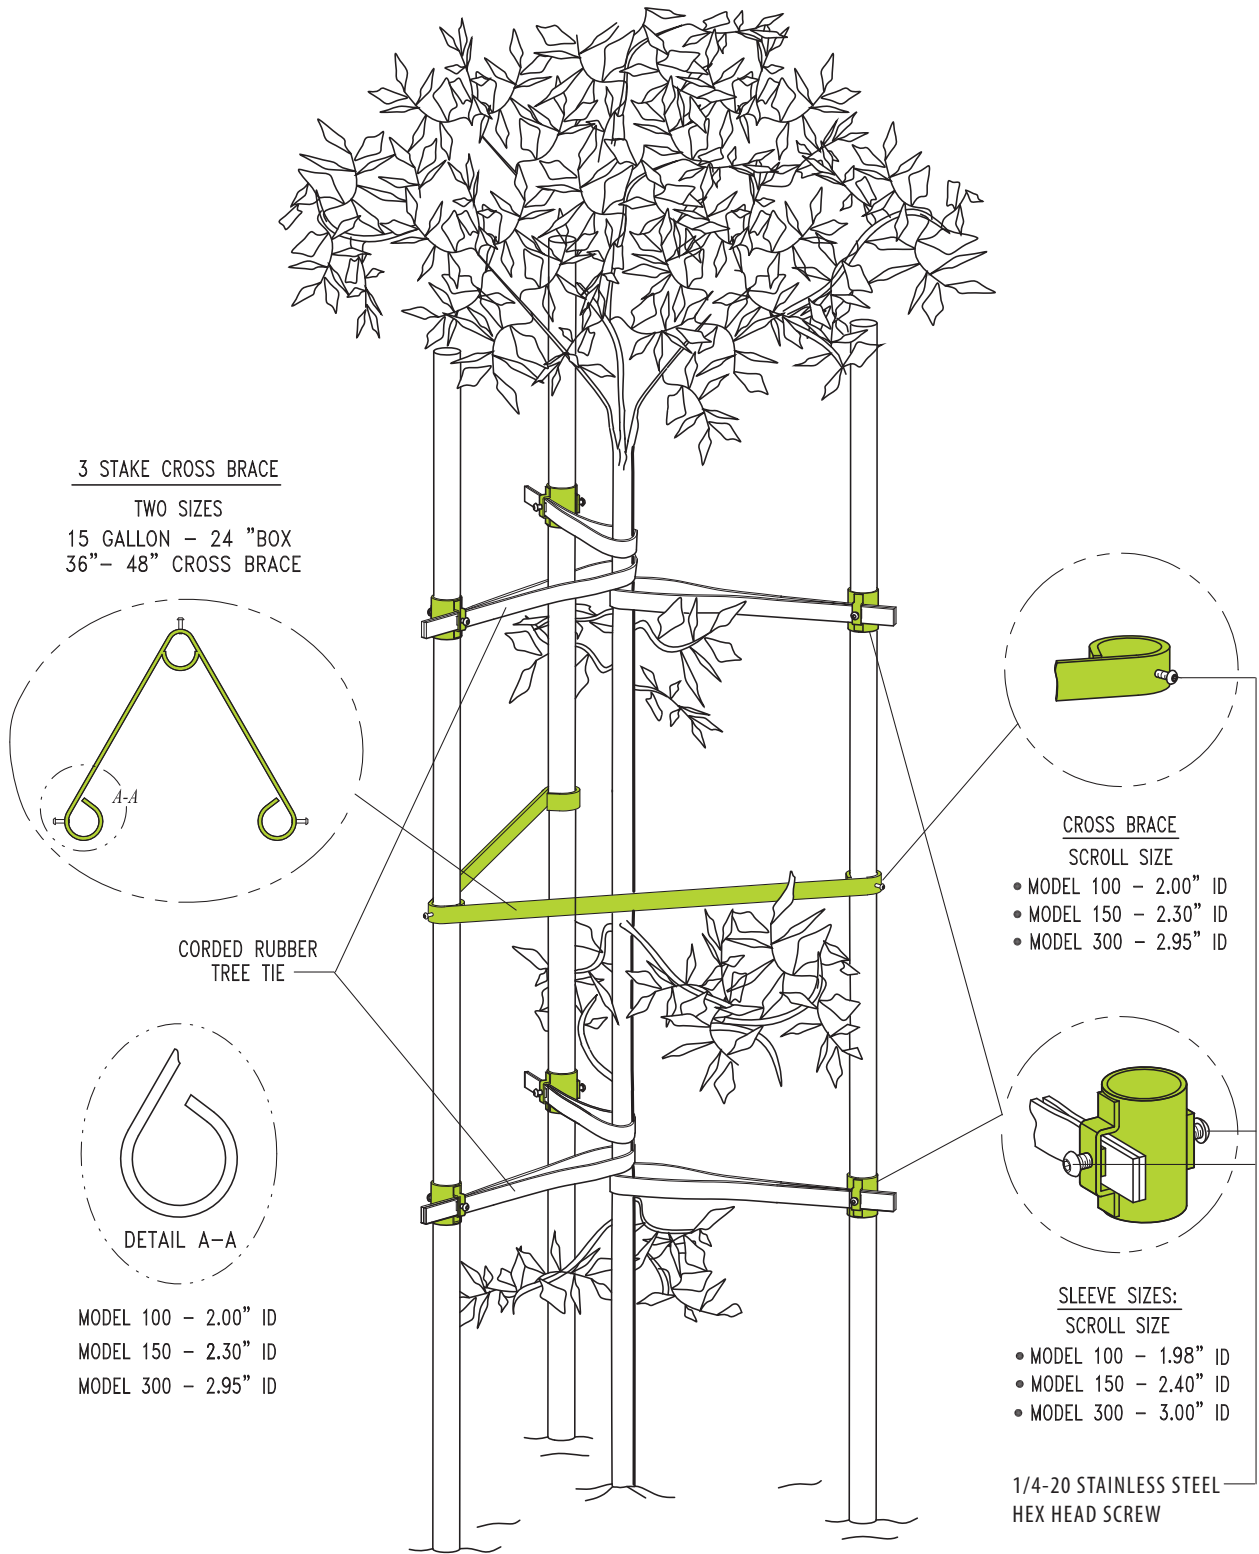

The Greensleeves System is a Reusable Tool!

- Use for 2", 3" round, 1 1/2" x 1 1/2" wooden stake—Model 100S, 1 1/2" schedule 40 galvanized pipe—Model 100.
- Adjustable Cross Brace for 15 Gal., 24", 36", 48" Box trees
- The Brace insures the stakes are placed outside of rootball
- Easy vertical and horizontal adjustment of Sleeves and Ties
- Tie length is customized to each Cross Brace for 15 Gal., 24", 36", 48" Box
- No nails
- Simple installation
- Made in USA
- Member SF Made, Certified San Francisco LBE
